March 20, 2020

To our valued customers, suppliers and industry partners,

Trench Shoring Company is following the CDC guidelines regarding the COVID-19 virus. We are maintaining our business operations as part of the "essential business" provision in **California** Governor Gavin Newsom's stay at home order to protect the health and well-being of all Californians and to establish consistency across the state in order to slow the spread of COVID-19.

<https://covid19.ca.gov/stay-home-except-for-essential-needs/>

We are also maintaining business operations in accordance with **Nevada** Governor Steve Sisolak's list of "essential businesses" in the state that are to remain open and the "non-essential" sectors that he recommended close in support of COVID-19 social distancing.

<https://nvhealthresponse.nv.gov/wp-content/uploads/2020/03/NV-Health-Reponse-COVID19-Risk-Management-Initiative-2.pdf>

Trench Shoring Company remains committed to support your trench safety needs in these challenging times. We have implemented mandatory safety and health procedures for our customers and employees including following social distancing requirements and adjusting for large in-person gatherings.

Specifically for Trench Shoring University training:

We have cancelled all trench safety classes scheduled for the remainder of March, and are actively developing alternative solutions and methods for April classes. If you have any specific questions about training, please email Greg Shreenan at gregs@trenchshoring.com or call 760-250-7799.

In total, Trench Shoring Company is here to support you. Please contact us with any needs and questions at admin@trenchshoring.com or by calling us at 800-423-4411.

Kevin Malloy and the entire Trench Shoring Company team
