STEEL TRENCH/ROAD PLATES

Trench Shoring Company has one of the largest inventories on the West Coast of trench plates / high quality steel road plates. Our inventory includes trench plates with skid resistant surfaces which conform to updated city regulations and increase job site safety.

Delivery and pick-up by Trench Shoring Company's boom trucks makes the use of trench plates convenient and economical while your job proceeds efficiently. Our trench plates are available in twenty standard sizes with special sizes available upon request. For wider spans, the engineer-designed trench crossing bridge is available in a variety of sizes.

Available in 20 Standard Sizes

WARNING
Trench plates change the character of the roadway. Proper care and advance signage is recommended when trench plates are in use. Wet conditions enhance the changes in the roadway. "SLIPPERY WHEN WET"

TRENCH SHORING COMPANY™
