PIPE PLUGS

Pipeline Testing Equipment

Many contracting jobs require pipe plugs for applications including leak detection, minimal flow thru, high volume by-pass work, line air testing, continuous flow-thru, as well as mechanical and general plumbing.

Trench Shoring Company has the solution, whether you need to purchase or rent equipment. We sell and rent a complete line of highly durable Cherne® and Lansas® Inflatable and Mechanical Pipe Plugs. Our vast inventory includes rental units in single and multi-size models ranging from 2" to 96" with larger and specialized custom built units also available on request.

If your project requires blocking or bypassing a sanitary sewer pipe, water pipe or just about any other type of application, we rent or custom-build a pipe plug to meet your needs.

Trench Shoring Company can handle any pipe plug need. We offer same-day service from all our convienent locations.
